# Dr Naghmeh Radhakrishna

**Respiratory / Sleep Medicine**

---

MBBS, FRACP

---

VIC

Melbourne – Fitzroy

## Executive summary

Dr Naghmeh Radhakrishna is a Consultant Respiratory Physician with a strong focus on asthma, allergy, and complex breathlessness. She completed her medical degree at the University of Adelaide in 2004, followed by advanced training at Monash, St Vincent's, and Austin Hospitals.

She undertook a Senior Fellowship in Asthma and Allergy at Alfred Health, helping to establish the Difficult Asthma Service and contributing to several publications in this field. Dr Radhakrishna also trained at the Royal Brompton Hospital in London, where she gained extensive experience managing severe asthma and related conditions such as dysfunctional breathing and laryngeal disorders.

Her interests include asthma, allergy, occupational and environmental lung disease, and the broader evaluation of complex

respiratory symptoms.

She holds public appointments at St Vincent's Hospital and The Alfred Hospital and consults privately at East Melbourne Heart and Lung in Fitzroy.
