

Ms Phillipa Condous

Physiotherapy

B.App.Sci (Physio), M.App.Sci (Advanced Manipulative Physio)

Melbourne - South Yarra

Expert Witness Training

Executive summary

Ms Phillipa Condous is a Physiotherapist with over 30 years of experience in the field.

Ms Condous earned a Bachelor of Applied Science in Physiotherapy from the South Australian Institute of Technology and a Master of Applied Science in Advanced Manipulative Physiotherapy from the University of South Australia. She has worked both locally and internationally and currently serves as the Principal and Clinician at Finetune Physiotherapy in Malvern East.

Ms Condous has diverse special interests in physiotherapy, including assessments for TAC and workplace injuries, medical negligence, and total and permanent disability. She also focuses on future treatment costings, injury management, mobility aids, as well as orthopaedic and musculoskeletal care and neurological

assessments for conditions such as acquired brain injury, stroke, and spinal cord injury.
